Bondi Vet is an unscripted observational documentary series set against Sydney Australia's breathtaking Bondi Beach. This heart-warming show follows Dr. Chris Brown's daily life as a veterinarian in a busy urban environment, at zoos and in rural communities.

The series also follows Dr. Lisa Chimes and Dr. Andrew Marchevsky at the local animal emergency hospital, where pets are saved and little lives are changed forever. Wildlife conservationist Tim Faulkner looks after the more exotic creatures at the Australian Reptile Park.

Now in its 8th season and with an epic 172 episodes, this internationally acclaimed series has won over millions of viewers worldwide and is now enjoyed by audiences in over 170 territories.

In the United States *Bondi Vet* is known to CBS viewers as *Dr. Chris Pet Vet* and was recently honoured with a prestigious Parents' Choice Award.

A promotional image for the TV show 'Bondi Vet'. A man with blonde hair, wearing a grey V-neck sweater and blue jeans, is sitting on a red sofa, smiling at the camera. Next to him is a Dalmatian dog with a red collar and a tag, also looking towards the camera. The background shows a coastal town with buildings and a beach under a blue sky. A large blue cross logo is overlaid on the right side of the image.
