

# HOLLYWOOD'S **10** BEST

**99 x 30' HD**

HOLLYWOOD'S 10 BEST Viewers get nothing but the A-List with Hollywood's 10 Best... a countdown of the biggest 'big screen' moments and stars. In each jam-packed episode, the actors, directors, and writers discuss the high points and nuances of their films.

Episodes can also be grouped into themes, presenting a number of movies with a shared motif such as "Coming of Age Movies", "Dating Movies" and "New York Stories"

The international appeal of movies make them one of our culture's most pervasive and persuasive forms of mass media and Hollywood's 10 Best continues to be one of the most popular international properties for those broadcasters looking to offer their viewers the always appealing glamour of tinsel town.
