

**RON HAZELTON'S HOUSECALLS**  
**EPISODE SYNOPSIS**  
**SEASON 22 (2020-2021)**

**EPISODE # 2107**

This week on HouseCalls we transform a flea market find into a handsome piece of furniture without the mess and hassle of stripping. In a second transformation, a plain-looking fireplace gets the classic treatment with the addition of a custom mantle and surround. That's this week on HouseCalls.

**EPISODE #2108**

This week on HouseCalls, Ron builds a foot bridge that can add a dramatic point of interest to just about any backyard. Then he makes picture frames from scratch, perfect for showcasing family treasures. That's this week on HouseCalls.

**EPISODE # 2109**

This week on HouseCalls Ron turns a closet door into a swinging bookcase. Then he constructs a child's outdoor playset. The kit comes with everything but the wood and the elbow grease. That's this week on HouseCalls.

**EPISODE # 2110**

This week on HouseCalls Ron solves a storage problem by building a closet in a room that doesn't have one. Then he upgrades a kitchen by installing a pre-fabricated laminate counter-top and a stainless steel sink. That's this week on HouseCalls.

**EPISODE # 2113**

This week on HouseCalls Ron introduces a new tool designed for taking stuff apart – we're talking DEMOLITION. Then, we'll see how to add interest and depth to a wall with a wall niche. The lazy Susan was created to make food equally available to all - Ron will show us how to make one. That's this week on HouseCalls.

**EPISODE # 2117**

This week on HouseCalls Ron helps a family add storage and display space to their children's art room, by creating a recessed cabinet that's flush with the wall. Then he tries out a new tool designed specifically for removing wood trim without damaging the trim itself. And finally, he shows how layering molding on top of existing molding can turn the plainest of trim into something exceptional. That's this week on HouseCalls.

**EPISODE # 2118**

This week on HouseCalls, Ron installs a ready-made garden greenhouse window in a kitchen. The result makes the room feel and look larger. Then he uncovers hidden storage space under the bed. That's this week on Housecalls.

### **EPISODE # 2119**

This week on HouseCalls, Ron creates a functional office workspace by using a single piece of furniture. Then he shows us how to attract songbirds to our yard with some surefire tips that will be music to our ears. And finally, he installs an outlet plate cover with a built-in USB charger that you won't believe how easy it is to install. That's this week on Housecalls.

### **Episode #2201**

This week on HouseCalls, Ron discovers that neglected gutters can lead to a lot of water in the wrong places. Then he shares a great tip for hanging things on walls and finally, he helps some folks separate their kitchen and family room with handsome columns. That's this week on HouseCalls.

### **Episode #2202**

This week on HouseCalls, Ron installs an underground dog fence that's simple, invisible and effective. Then he builds a doghouse that offers comfort, warmth and a bit of privacy. That's this week on HouseCalls.

### **Episode #2203**

This week on HouseCalls Ron cuts a rather large hole right through his granite countertop to install a prep sink in his kitchen island. That's this week on HouseCalls.

### **Episode #2204**

This week on HouseCalls, Ron tiles a bathroom floor using ceramic tiles. He then replaces a plain hollow-core interior door with something more substantial and better looking. That's this week on HouseCalls.

### **EPISODE #2205**

This week on HouseCalls, Ron demonstrates how to update an outdated popcorn ceiling by covering it up with decorative PVC ceiling tiles and avoiding the mess of having to remove it. That's this week on HouseCalls.

### **EPISODE #2206**

This week on HouseCalls, Ron installs an automatic drip irrigation system in his garden. Then he turns a bare alcove into a built-in entertainment center. That's this week on HouseCalls.

### **EPISODE #2207**

This week on HouseCalls, Ron builds a custom gate that's the perfect complement to one couple's traditional architecture. Then he creates a good-looking wine rack that could be scaled up or down for just about any size collection. That's this week on HouseCalls.

**EPISODE #2208**

This week on HouseCalls, Ron installs a ventless fireplace in the corner of a bedroom. Then he turns up the heat in his own shop, by installing a heater made just for garages. That's this week on HouseCalls.

**EPISODE #2209**

This week on House Calls Ron breathes new life into his trusty but time worn gas grill. Then he heads to Cajun country to help a New Orleans couple reclaim a deck that looks like a lost cause. That's this week on House Calls.

**EPISODE #2210**

This week on HouseCalls Ron redefines a couple's oversized living room into two more livable spaces using knee walls and columns. Then he shows us how to blend a hard wood floor. That's this week on HouseCalls.
